

4 EASY STEPS

to taking advantage of your

MEMBERSHIP

- Create Your Training Account to Receive Member Discounts**
[Create your account here.](#) Be sure you're logged in each time you register for a training to take advantage of member-exclusive discounts!
- Sign Up for Your Free Safety & Health Subscription**
This magazine offers comprehensive national coverage of occupational safety news and analysis of industry trends. [Click here to download your application now.](#)
- Ensure the Right Employees are Receiving Safety Updates**
The NDSC shares relevant updates on regulation changes, free events, and safety trainings on a monthly basis. Your main membership contact automatically receives these emails. Make sure those responsible for safety training and products are also signed up by sending their names and email addresses to membership@ndsc.org.
- Display Your Proud Member Logo**
Showcase your safety pride! [Download the logo](#), post to your internal and public websites, and link it to www.ndsc.org.

Don't forget about other member benefits such as free consultations with our safety consultants, discounts on Sanford OccMed services, safety product discounts, and more!
