Help Us Make North Dakota the Safest State in the Nation

3 WAYS TO TRAIN:

1. **Train your own employees:**
   Complete an RBS Train-the-Trainer course and you will be qualified to train any of the three 2-hour modules! There is no additional fee to teach the course once you complete the TTT. The best trainers are generally law enforcement. The NDSC does not charge or compensate the Public Health Unit or instructor for these trainings.
   Fee: $375/person

2. **Let us train for you:**
   If you do not have the resources to train your own instructors, contact the NDSC to schedule a 2-hour server training for your local alcohol establishments.
   Training fee: $575 + travel

3. **Train ONLINE:**
   Take any of the three 2-hour RBS courses online at www.ndsc.org/rbs.
   Fee: $20/person

DID YOU KNOW?

As many as **50%** of servers in alcohol establishments have served alcohol to underage youth in compliance checks conducted by local law enforcement agencies.

North Dakota’s regional Safe Communities programs, 2005-2008

Selling alcohol to minors is a crime punishable by law, no matter what, but being educated on the matter can help you, your business and community toward alcohol prevention in youth.
