

Employees who serve alcohol are required to complete Responsible Beverage Server training by _____.

UPSKILL YOUR SERVICE

This free, virtual training session will teach you how to:

- Identify when someone has had too much to drink
- Communicate with an overserved customer
- Create a safe and enjoyable space for everyone

Important! Registration and training can't be done on your phone. They must be done on a tablet, laptop or desktop computer. Training takes 60-90 minutes to complete.

Next Steps

1. Go to <https://bit.ly/servbar> and register for the free training.
2. You'll receive an email with a link, and you have 20 days to complete the online session.
3. Save, screenshot or print your certificate of completion at the end of the training and show it to management.
